"Man of the Year"

As a school we would like to dedicate this yearbook to our very own Coach Martin, as a small token of our appreciation for the love and concern he has shown for us through the year.

FLASHBACKS

What's a right hand? Something hard to do without. Coach is a right hand man who carries a load to see things done effectively. Enthusiasm, industry, and concern are all adjectives for "the Coach." S.D. Wolgamott

Coach is a person who I have most appreciated, a man with a lot of character. If I had one wish it would be that I could be in the H.C.S. sports program one more year without academics. Scott Freed

Coach is one of the most hard working men I have ever met. He loves H.C.S. and its students and expresses that love through an inspirational testimony, and through instilling good leadership qualities in the young people he coaches. He has also been a great blessing to me while I have been at H.C.S. Coach, we all love you! Mr. Griffin

Coach is a really nice person that I really have appreciated my two years at H.C.S. I would just like to say I love him and am going to miss him when I leave. Craig Maenle

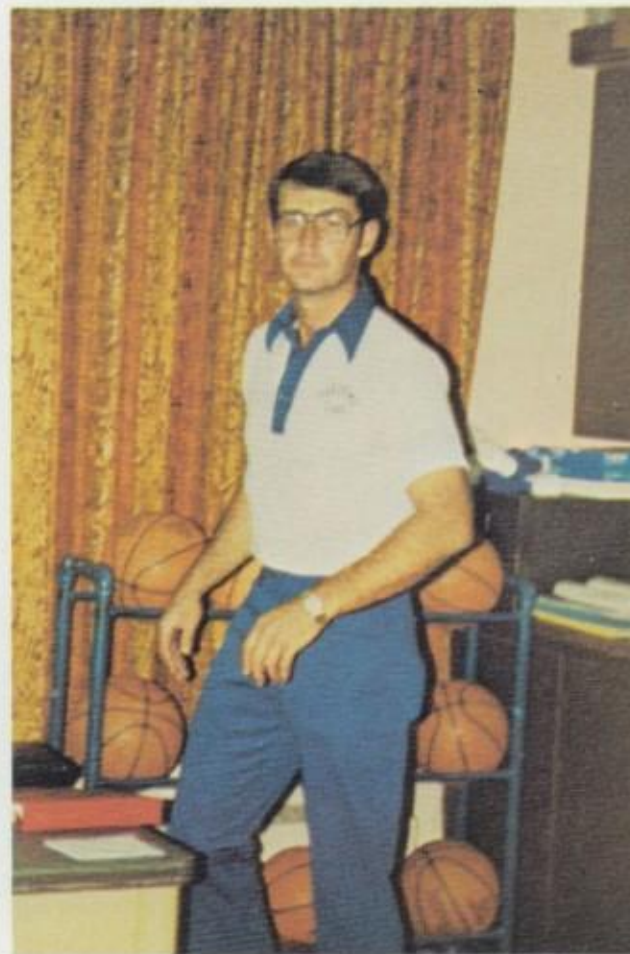

Coach consistently practiced spiritual as well as physical discipline. He endeavored to instill this in each of his students. He was a leader we could follow out of love, not merely obligation. Joe Sorell

AVAILABILITY

Adjusting my personal responsibilities around the needs of those whom I am serving.

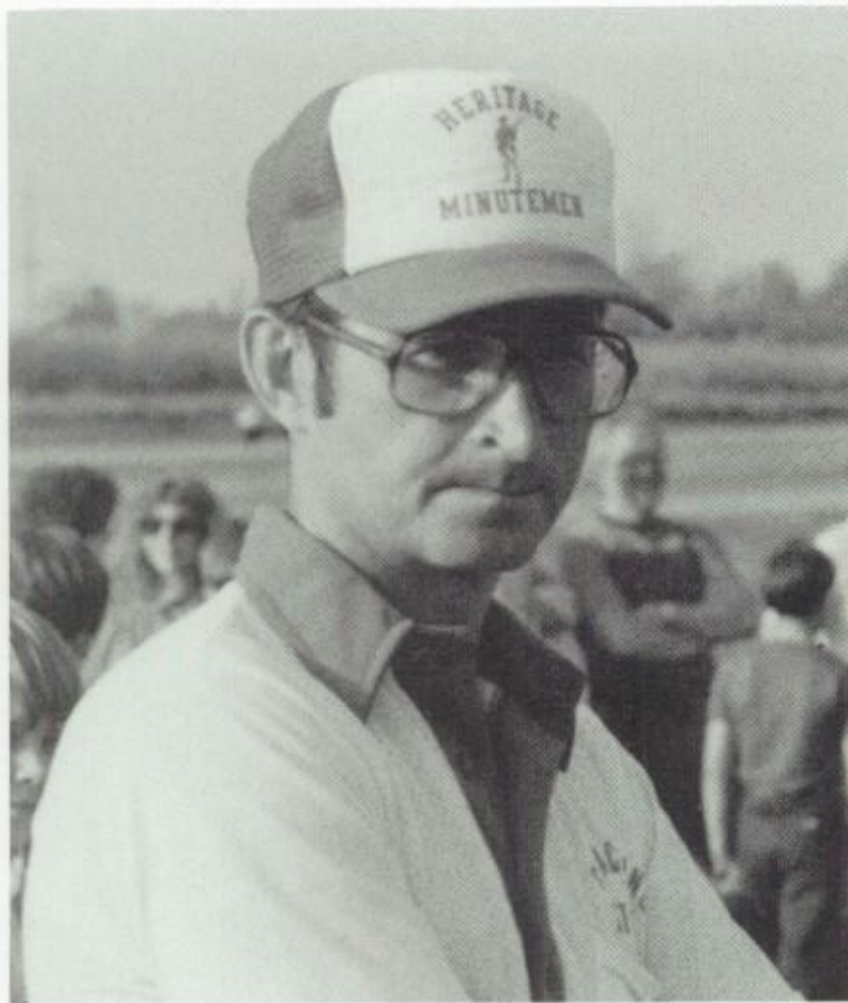

It has been my pleasure to play sports under coach and more importantly it has been by pleasure to have coach as a dear friend, and I will always treasure our friendship and appreciate his dedication to his family, friends, and God. Greg Norden

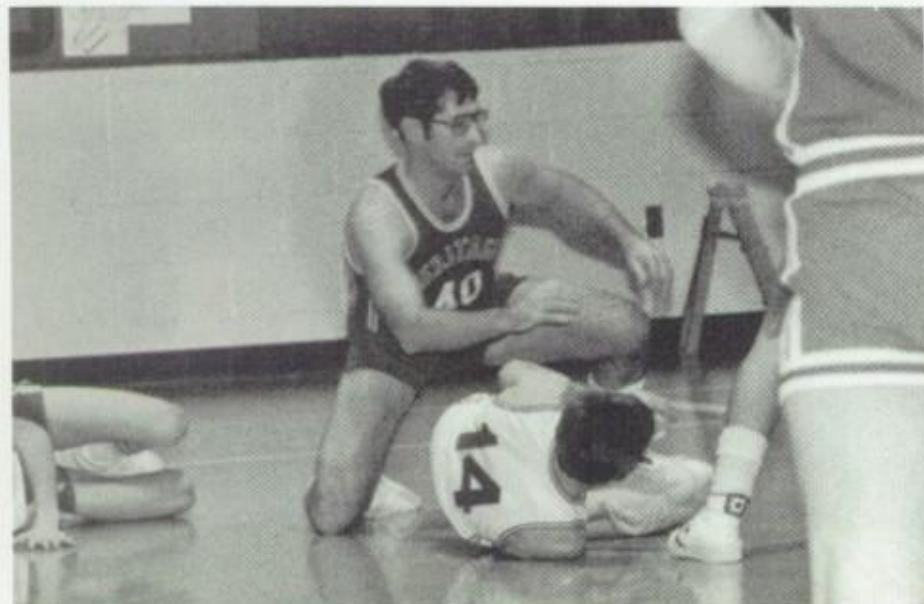

COMPASSION

Viewing every person as a valuable individual whom God created and loves. Phil. 2:2

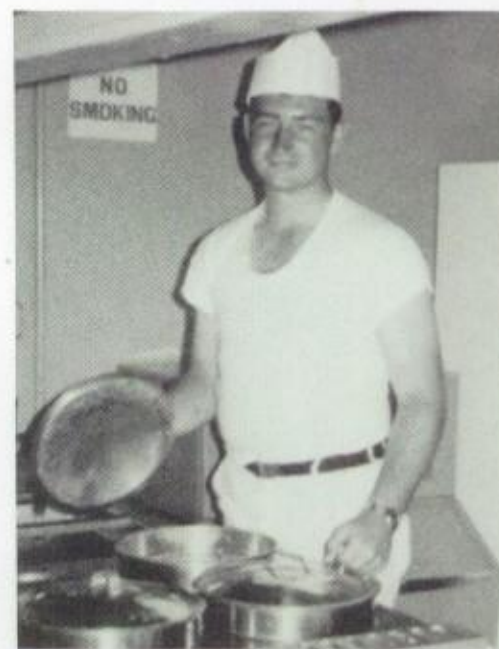

I have enjoyed working with Coach these past three years. He is a very optimistic and encouraging person. His example and testimony is always consistent before the students. It is very evident to me that he is loved and appreciated by the entire student body. I Thess. 4:12. Miss Willis

We believe that a true winner does his best, never to the glory of self, but always to the glory of God. With the Lord's help, we will strive to be the winners today. The Winner's Creed

I have truly appreciated Coach Martin's ministry at Heritage. He has been a consistent and godly example to the young men, and his first priority has always been to glorify God, not just win games. Pastor Sam

My appreciation for Coach goes beyond his excellent ministry among the young people. He does a lot for people that goes unnoticed and doesn't seek any glory for it Mr. Russell
When it comes to sports, Coach Martin is outstanding in his (soccer) field, is on the (basket) ball, and covers all the bases (baseball, that is)! Mrs. Wiseman

Coach taught me the value of setting a goal and working as hard as you have to to accomplish it. Mark Furiate

Dear Coach,

Words cannot duly express the gratitude we have for your tolerance, loyalty, and concern. You have always been "A Real Friend".

A friend is one who takes your hand
 And talks a speech you understand.
 He's partly kindness, partly mirth —
 And faith unfaltering in your worth.
 He's first to cheer you in success.
 And last to leave you in distress.
 A friend is constant, honest, true —
 In short, old pal, he's just like you.
 (Guest)

You are always telling us of your love towards us, in word and deed. As the student body, we would like to dedicate this yearbook in your honor. We love you!

The Student Body

Coach always made sure we had the proper balance. Winning was fun, but serving the Lord was more important. Jim Liebler

One of the biggest things Coach did for me was to teach me to go to the Lord before I did anything. For instance, each day before we had practice, Coach always insisted we have a time of prayer and devotions. Tim Furiate

SENIORS

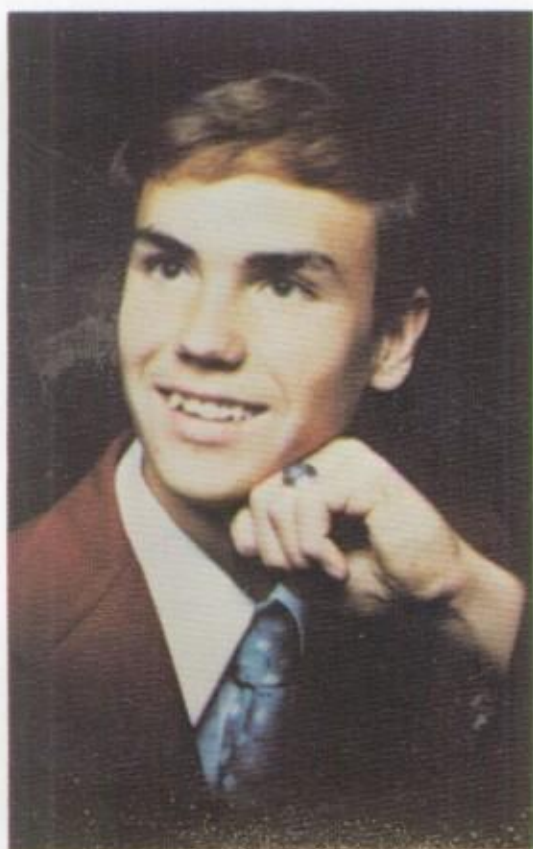

Jenny Dean

I was saved at age five in Columbus, Ohio. My junior year was my first year at Heritage. I've grown so much closer to the Lord because of the teaching I've received. Josh. 1:8

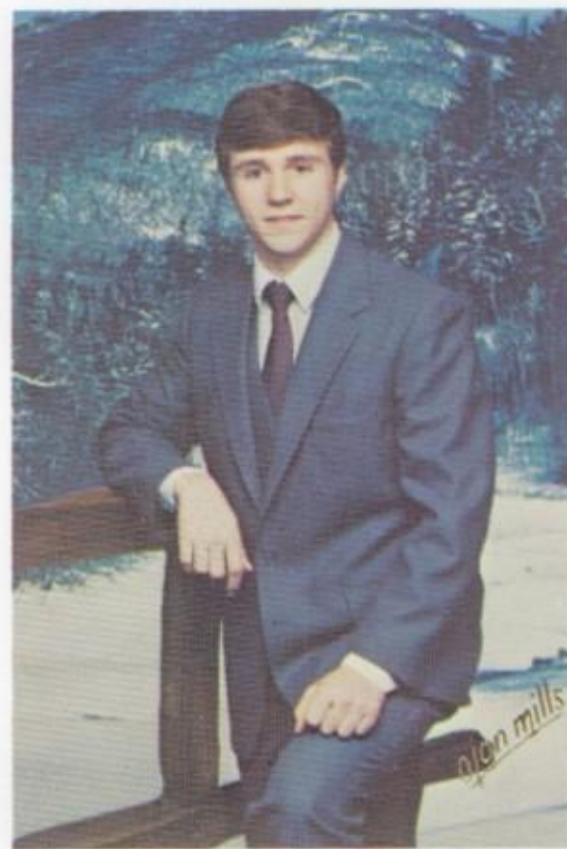

Julia Furiate

I love H.C.S., and I praise the Lord for the opportunity to have attended and graduated from it. My desire is to serve the Lord with my whole heart, and I believe that H.C.S. has given me a strong foundation from which to do so. 1 Peter 2:21

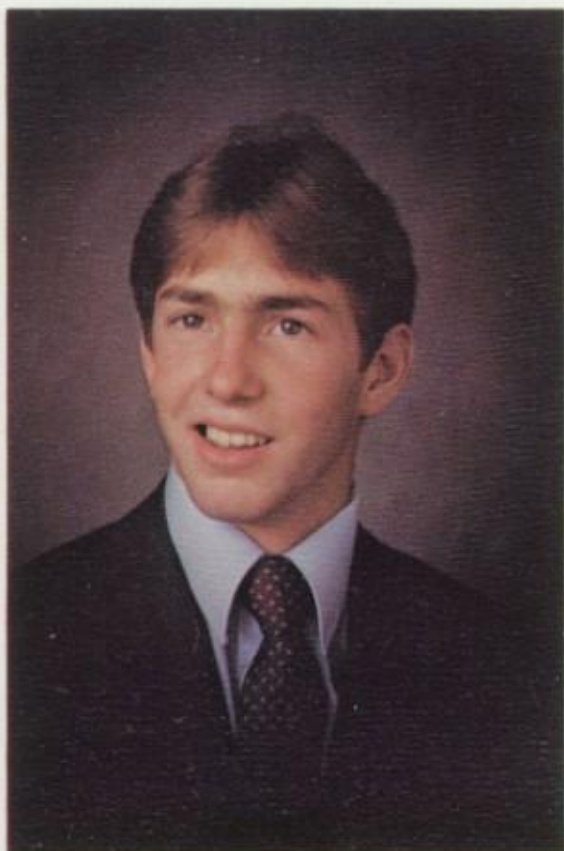

Scott Freed

Heritage has helped me in many ways, particularly in my daily relationship to Christ. I don't know where I'd be today if I hadn't heard the Word at Heritage. 1 Cor. 10:33

Jeff Hoy

I was saved in fifth grade and began attending Heritage in sixth grade. I feel privileged to be the first graduate to have attended Heritage every year since its inception. I plan to continue working after graduation. Ecc. 9:10

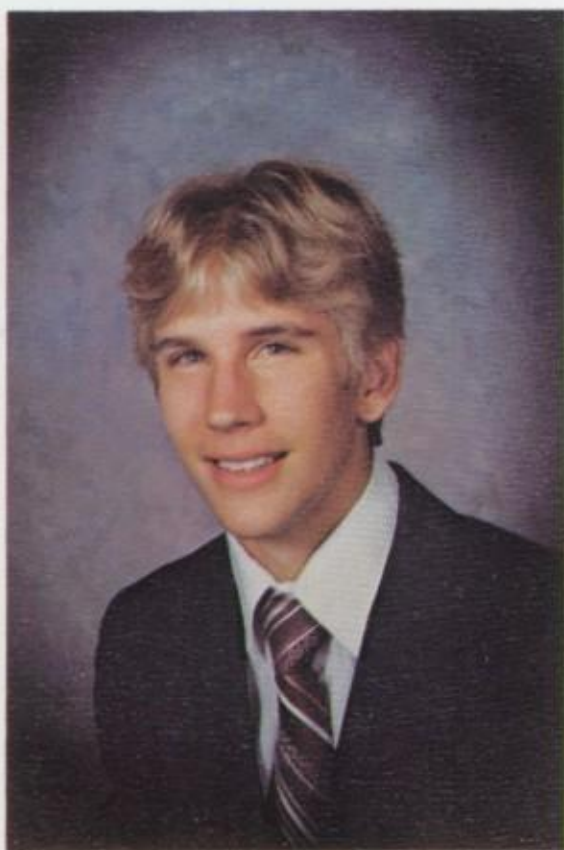

Craig Maenle

I was led to the Lord at a youth activity. Due to the concern of Coach Martin and Pastor Sam, I know that I am born again. Thank you, staff, for encouraging me to put Christ first! Psalm 35:1.

Ruth Simons

VALEDICTORIAN 1982-83

Greg Norden

I was saved in Coldwater, Michigan in October, 1969. Since that time it has been my joy to draw upon God's comforts and grace, with faith. Heb. 13:6.

I thank God that I was raised in a Christian home by Godly parents. I was saved February 11, 1979 after hearing a message by Tom Sooter on the crucifixion of Christ. After I heard how much He went through to die for me, whose sins had helped nail Him to the cross, I realized I needed to be saved. Through faith, I accepted Him and gave Him my whole life. I thank the Lord and the school staff for the sound training I have received here to enable me to go on and live for Christ.

LAST WILL AND TESTAMENT

Jenny Dean leaves her birdy legs to the Biology Lab.

Julia Furiate leaves ... while she can.

Scott Freed leaves his white soccer shoes to Aaron Bibler.

Jeff Hoy leaves his dimples to Jackie Fuller.

Craig Maenle leaves his beautiful looks to Bret Perkey.

Greg Norden leaves his electrical tape to Coach.

Ruth Simons leaves her patience with a certain individual to Mia Tomlinson.

MOST MEMORABLE EXPERIENCE

Jenny ... holding an original senior chapel service on the bus ride home from the Toledo choir concert with Tennessee windsucker and "Got Another Letter" speeches.

Julia ... mistaking my dress for the napkin I dropped at the Jr./Sr. Banquet.

Scott ... the day I said I was going out of the country but I was only going to Florida.

Jeff ... in ninth grade science Mr. Young said we could do anything we liked for the rest of the period; so I fell asleep. He came and threw his book on my desk to wake me. Boy did it!

Craig ... waking up every morning and frantically driving the backroads to school. Mr. Wolgamott said we would get a whack if we were ever late.

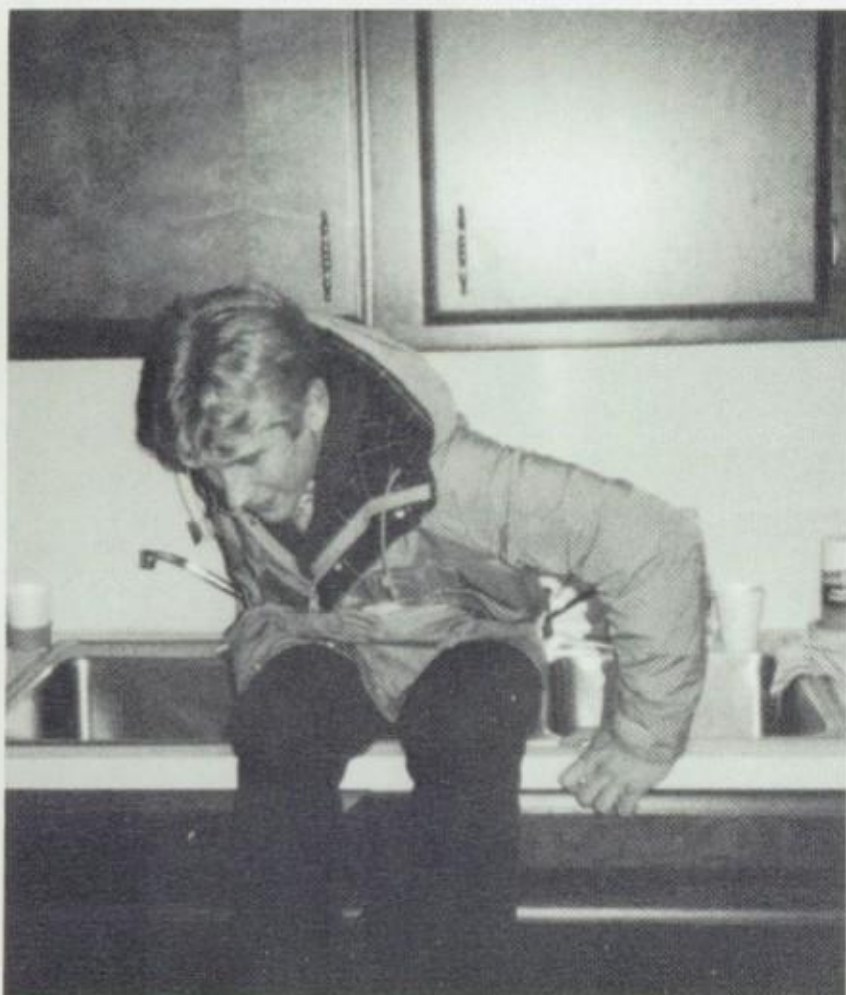

Greg ... when I saved Scott "Frito" from drowning in Green Creek without drowning myself!

Ruth ... the day I put a BIG hole in my pantyhose and had just finished globbing nailpolish on them when Mr. Wolgamott brought some visitors into the room. Inevitably, they were from my church. How embarrassing!

Ken and Cherry Stewart

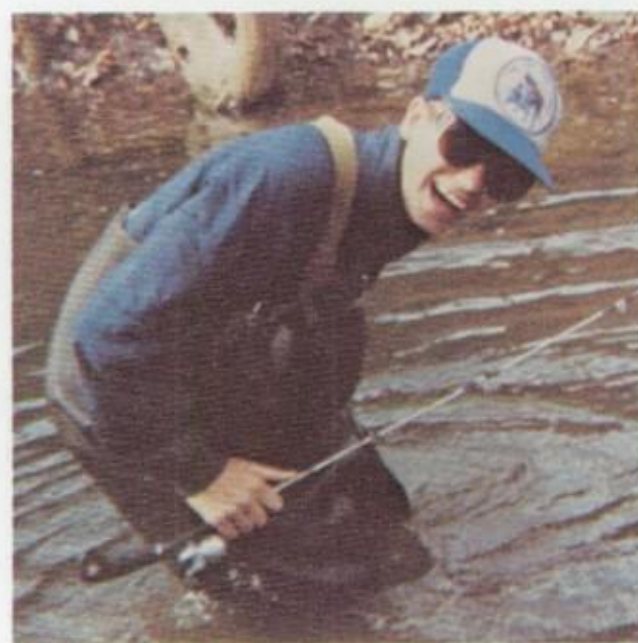

Mr. and Mrs. Stewart were both saved as young children, being led to the Lord by their parents. They are both graduates of Bob Jones University. Mrs. Stewart majored in Home Economics and Mr. Stewart in Music Education. Mrs. Stewart teaches elementary art, high school typing, and assists with elementary and high school music. Mr. Stewart is the Choir and Band Director, teaches eleventh grade History, and is the Senior class sponsor.

Senior Happenings

SENIORS: HAPPINESS

Happiness: knowing and being where God intended me to be. Together reaching the end of one goal and individually striving for new ones.

Give me a break!!!

Hiiiiiii Bret.

PATIENCE

Accepting a difficult situation from God without giving Him a deadline to remove it. Rom. 5:3,4

OUR STAFF

Stephen Wolgamott

Mr. Wolgamott has been striving to see H.C.S. grow abundantly, not only in the number of students, but also in the Lord. His determination, hard work, patience, love, and interest in each student has been a source from which we could draw strength in times of discouragement. He challenges students to live for the Lord no matter what activity in which they are involved. We thank the Lord for sending a man with the forethought and knowledge needed for this school.

Mrs. Martin was saved in 1970 after visiting Calvary Baptist Church. She graduated from Liberty-Benton High School. Her two children, Angela and Brad, attend Heritage. Mrs. Martin's life verse is Isaiah 12:2 and the class verse is I Cor. 10:31. The K-4 class went to Heritage Hills and fed animals there. The class also had a mothers tea for the grandmothers and mothers.

I was saved at the age of five when one evening at the supper table my father turned to my twin brother and me to ask if we knew we were going to heaven. We both broke down and confessed to Jesus our sins and were both gloriously saved within six minutes of each other. I am a twin twice — spiritually and physically! I graduated from high school in Sacramento, California — 1971 and from Maranatha Baptist Bible College — 1975 with a bachelor degree in music education. My husband Gary is Minister of Music at Calvary Baptist Church. Our class went to Children's Wonderland and Heritage Farm this year.

But it was not until the Easter of 1966 when we were invited to my sister-in-law's church, Emmanuel Baptist Church, Toledo, that I received Christ Jesus as my Savior. I graduated in 1964 from Kenton High School. My husband Tom works at Whirlpool. Jim, Matthew, and Michael all attend H.C.S. My life verse is Phil. 4:13.

Mrs. Francisco asked Christ into her heart at the age of twelve. She was saved through a vacation Bible school program. She attended St. Paul Bible Institute for one year and went to Bluffton College for three years, where she received her B.S. Ralph and she have two daughters, Sara and Gail. The girls are in ninth and tenth grade. Mrs. Francisco's life verse is Prov. 8:28. The big event of the year for the first graders was a trip to Sauder Museum in Archbold, Ohio. They participated in the Thanksgiving and Christmas Programs. This year's class verse is Proverbs 20:11.

I was raised in a Christian home. At the age of seven I realized my need of a Savior and I accepted Christ. I earned a B.A. degree at Houghton College in New York State. Family members include husband Jim Ricker who is employed at Union Carbide in Fostoria. My son Christopher is in fifth grade at H.C.S. My life verse is Galatians 2:20. Our class verse is Mark 10:14b. Class activities included writing missionary letters and learning cursive writing and multiplication tables. The class participated in a Christmas program and had special missionary speakers. We took a trip to the Columbus Zoo and went on a picnic at Benton Ridge Park.

Miss Cecil

During the summer of 1961 I was saved, being four years at the time. Our church was holding Good News Club, and I knew I was a sinner and needed Christ as my Savior. Early one morning, I found my mother where I knew she would be — having her devotions. I told her I wanted to be saved and she led me to the Lord. In 1979 I graduated with a B.S. in Bible and Elementary Education from Maranatha Bible College. I have a sister who teaches high school English, a brother who is a missionary to the Philippines under ABWE. My life verse is Proverbs 8:17.

I Peter 1:22

On March eighth, the third grade traveled to Columbus for a day at COSI (Center of Science and Industry). There we saw several displays from the world's fair on the theme "Energy". Several computer games on energy were a main highlight for the students. Also, on May third we traveled north to Dearborn, Michigan to tour Greenfield Village. Due to cold and rain, we spent our day visiting the Henry Ford Museum. This was an interesting trip since we had studied many of these same men and their inventions in our history class this year. The item of most interest though had to be the chair in which President Lincoln was shot — blood and all! Finally, we traveled on June second to the Ohio Caverns for an exciting day of cave touring, picnicking, games, softball, and free ice cream. It has been a good year.

The outstanding class activity this year was making diorama projects in geography. A diorama is a three-dimensional scene made in a box. The scenes represented areas of the world which we studied in geography. We had scenes from Alaska: fishing regions, snow regions, forests, and cities. The class also went to Greenfield Village, Neil Armstrong Museum, Allen County Museum, and Fort Meigs.

I was saved at a camp as a teen. When I went home, I never heard anymore about growing as a Christian because the family was unsaved and attended a liberal church. I began to grow when I married and moved to a new location. I used to teach in a public school and felt called to teach in a Christian school when we moved to Ohio in 1977. I taught at Fellowship Christian School and now at Heritage Christian. I graduated in 1968 with a B.A. from Wm. Paterson College in New Jersey and in 1976 as an LPN nurse from Southwestern Michigan College. Our family includes George (husband); Jean; Randy; Brian; Tricia and Matt. My life verse is Psalm 115:1 - "Not unto us, O Lord, not unto us, but unto thy name give glory" and our class verse is Proverbs 1:7 "The fear of the Lord is the beginning of knowledge."

As a class we wanted to share our Christmas joy with others. We decided to go to Winebrenner Nursing Home to carol and later we sang for a group of residents. Our class also participated in the DAR competition and Danny Trier placed for our school in the country contest and then went on to take first in the state. The fifth grade class spent one day in Columbus learning how the state government works. Before their departure Alan Grover came and explained what the class would see and how a law is made. While in Columbus the class toured the Capitol building, sat in the committee meeting, and met several of our elected officials.

On May 8, 1966, following the death of a younger brother I was impressed with the reality of death even among young people. Being reared in a Christian home my parents took advantage of this situation and once again told me of Christ's sacrifice for me. I subsequently accepted Christ as my Savior, rather than depending on my family for salvation. Later the Lord led me to Bob Jones University from which I graduated in 1978 with a B.S. in Elementary Education. I have two brothers, Dwight — 19 years old — and Doug — 17 years old. My life verse is Romans 14:8 and our class verse is Romans 8:37.

The sixth grade class has had many interesting happenings this year. Early in the new year, Mr. Howe came and set up his telescope one evening for us to view our solar system. We learned of the rising and setting of the planets, the nearest solar system, some new constellations, and many other fascinating things. We also took a tour through the Toledo Art Museum and Col-dren Crates Funeral Home here in Findlay. The month of May has been a busy one. Along with the aforementioned tours, Mr. Wolgamott allowed our class to have a "graduation" party at the Tong's house. I learned that we have quality fishermen and fisherwomen in our class. We ended the year with a picnic at Rawson Park in Rawson, Ohio.

In the summer of 1965 I was saved as the result of my wife's witness. She wrote a letter stating that she could no longer date a lost boy because the Bible forbade ones being unequally yoked. Thus, I was forced, because of my love for her, to reexamine my presuppositions. The Holy Spirit revealed to me that I was lost and the Christ of John 3:16 was the solution to my dilemma. Hence, I was led to confess Christ as Savior. I graduated with a B.S. in Biology from Ohio Northern University (1968) and an M.S. in Education Administration from Bob Jones University (1976). My wife: Christine, daughter: Becky, son: Andy, dog: Molly, and hamster: Fluffball. My life verse is Romans 12:2.

The outstanding class activity was when our class sponsored someone to go to Camp CO-BE-AC this year who would not have been able to go otherwise. They also wrote letters to missionaries and earned money to go towards their senior class trip. The greatest events in which my class participated this year were discovering why we believe the Bible is the only word of God, learning how to use Bible study tools and helps, and learning different methods for devotions.

GENEROSITY

II Cor. 9:6

In June 1973, I began to think about life after death and where I would spend eternity. One day Pastor Milioni of Trinity Baptist came to our house to visit my mom about being baptized. My brother Craig and I came in the house to listen, thinking it would count as a good work to secure my home in heaven. He presented the gospel and we were saved. Attending a public high school, I got discouraged about spiritual things so I conformed to the world. I began to doubt my salvation and got Biblical assurance in September 1977. Since then I have been growing in the Lord, only by his grace. My educational background includes Baptist Bible College (1977-1978). Then I transferred to Marietta Bible College and majored in Christian Education with minor in Local Church Ministries and graduated in 1981 with a Bachelors Degree of Arts. My family members include wife: Nikki, James Eric, and Amanda Marie. My life verse is II Tim. 2:21. Our class verse is Jer. 33:3.

Freshman class activities included money raising projects (selling of candy, shoelaces, and cheese and sausage). Several of our mothers worked at the BCSA State Tournament. Also, we had a Christmas Dinner with all the trimmings — ham, turkey, dressing, vegetables, and desserts. Church and school staff were also invited. If one word was used to describe this class, it would be "others" because on several occasions the class secretly collected and gave the money to meet the needs of others. This, the Christmas Dinner was shared with others.

I was saved in June of 1962 at Vacation Bible School. As the class was dealing with scripture relating to Christ's death and the purpose of His death I got under conviction. Later in the morning I talked with the pastor who took me through several verses in Romans. I realized my state as a sinner and did what the Bible requires me to be saved. I graduated from Central Baptist College and received a B.A. in Bible in 1966 and from the University of Central Arkansas a BSE in Secondary Education with the emphasis in Social Studies and English in 1968. CREATIVITY

Applying God's wisdom and practical insights to a need or task.

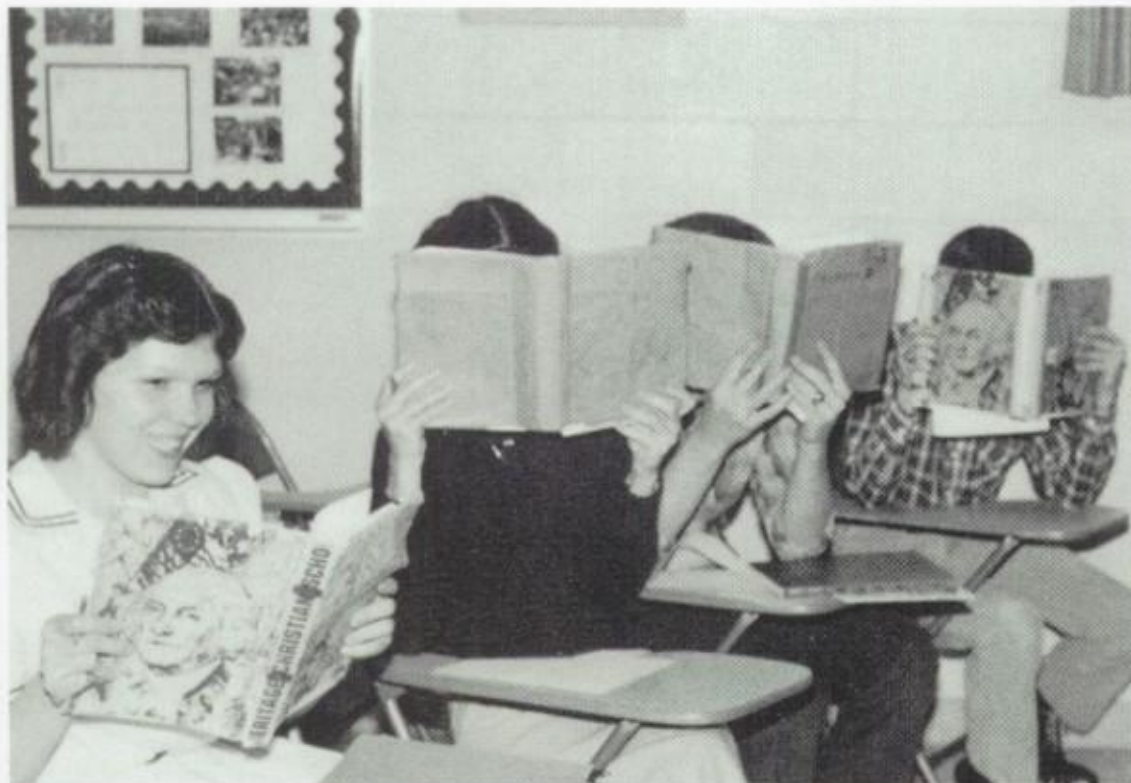

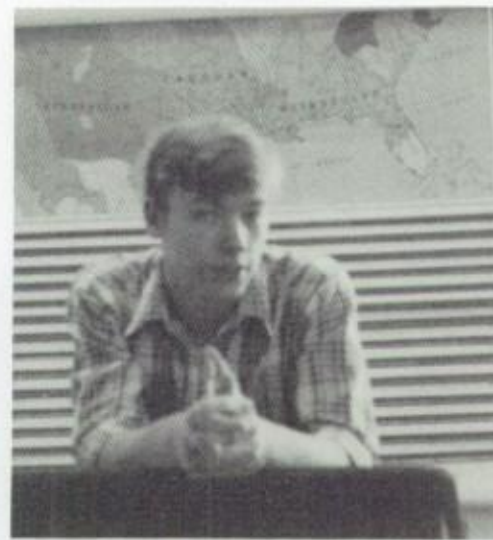

Isa. 40:26.

I was saved during the last part of 1971. The gospel had been presented to me several months before, but I had not understood it or really been affected by it — I thought. However, God kept bringing things into my life to keep my attention. I was attending church, but it was not a church where the Gospel was preached; so much of my contact with the Gospel came through television preachers and programs. The plan of salvation was written out inside cover of the Bible. The Lord made me aware of the need to be saved and open my eyes to see and understand His plan and gift He was offering me. That day, while sitting at my kitchen table, I asked the Lord to forgive me of my sin and to save me, which He did — and I praise and thank Him for it. My family members include husband: Dick, daughter: Christie and son: Matthew. I received a B.S. in Education (math major) from Miami University, Oxford, Ohio in 1964. My life verse is Col. 3:23.

There were three memorable events during this school year. The first was a sailing trip from Port Clinton on board Mr. Child's boat. The boat stopped at Put-in-Bay where the class inspected the monument to Commodore Perry. The second great event was a Christmas party at Mrs. Youngs' home. Why did Chris Russell have barrettes in his hair? As usual there was a feast. The third event was the Junior-Senior Banquet. As one Junior stated, it . . . "was quite enjoyable if you like spending \$25 on a salad and a piece of steak." After the meal they went bowling at Timber Lanes and . . . "watched all the gutter balls go by."

The queen and her court are pictured (L-R): Heather Nordon, Matt Lenhart, Deb Simons, Darryll August, Jenny Dean, Chris Russell, Greg Norden (king), Julia Furiate (queen), Kelly Cooper, David Burk, Kim Foltz, Matt Howard. The pregame ceremonies include a day of mourning as the teachers remembered the passing of the varsity as pictured below. Likewise, the varsity had much to say concerning their teachers as they lauded praises upon them in a school day assembly.

JUNIOR HIGH BASKETBALL

Front (L-R): Royce Hatch, Chris Bibler, David Howard, Matt Lenhart.
Back (L-R): Coach Scott Russell, Philip Brown, Greg DePuy, Scott Stoops, Matt Howard, Ron Miller, Jay Frommer, Scott Reed (manager).

Coach's comments: "The young men had great enthusiasm and good teamwork. They were very coachable and that really helps. I especially appreciated their desire to glorify the Lord first and then to win second. I'm looking forward to some big things out of these young men in the years to come.

JUNIOR HIGH RECORD 5-3.

JUNIOR HIGH SOCCER

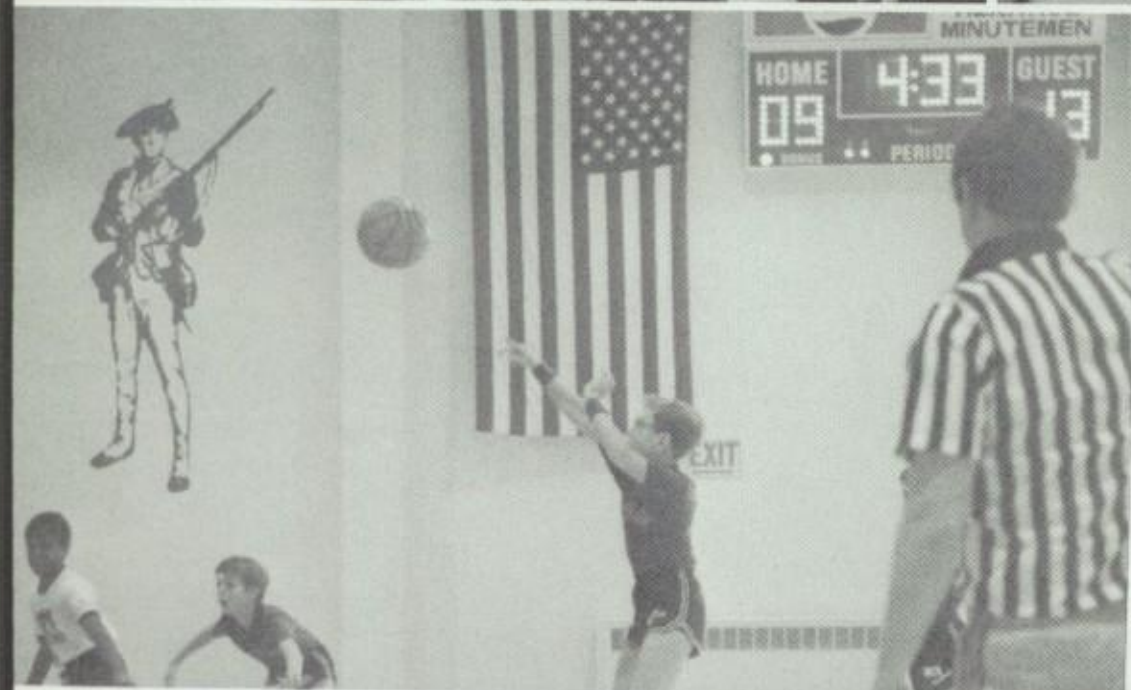

Front (L-R): Jeff Coulter, Scott Sheets, Phil Brown, Billy Burkmier, Aaron Bibler, David Spitler. Middle (L-R): Royce Hatch, Jim Cramer, John Hines, Derek Tong, Brian Shaffer, David Howard. Back (L-R): Matt Lenhart, Ron Miller, Nathan Does, Jason Unruh, Greg DePuy, Matt Howard, Chris Bibler, Coach Scott Russell.

Coach's comments: "Our record was not true of the talent the boys had. Several of the games we lost were close. The thing I liked best this year was the desire the fellows had for spiritual things. I saw some real spiritual growth from them throughout the soccer season. Though we did not win many games we had fun together.

JUNIOR HIGH RECORD 2-6-1

"MAN WITHOUT A COUNTRY"

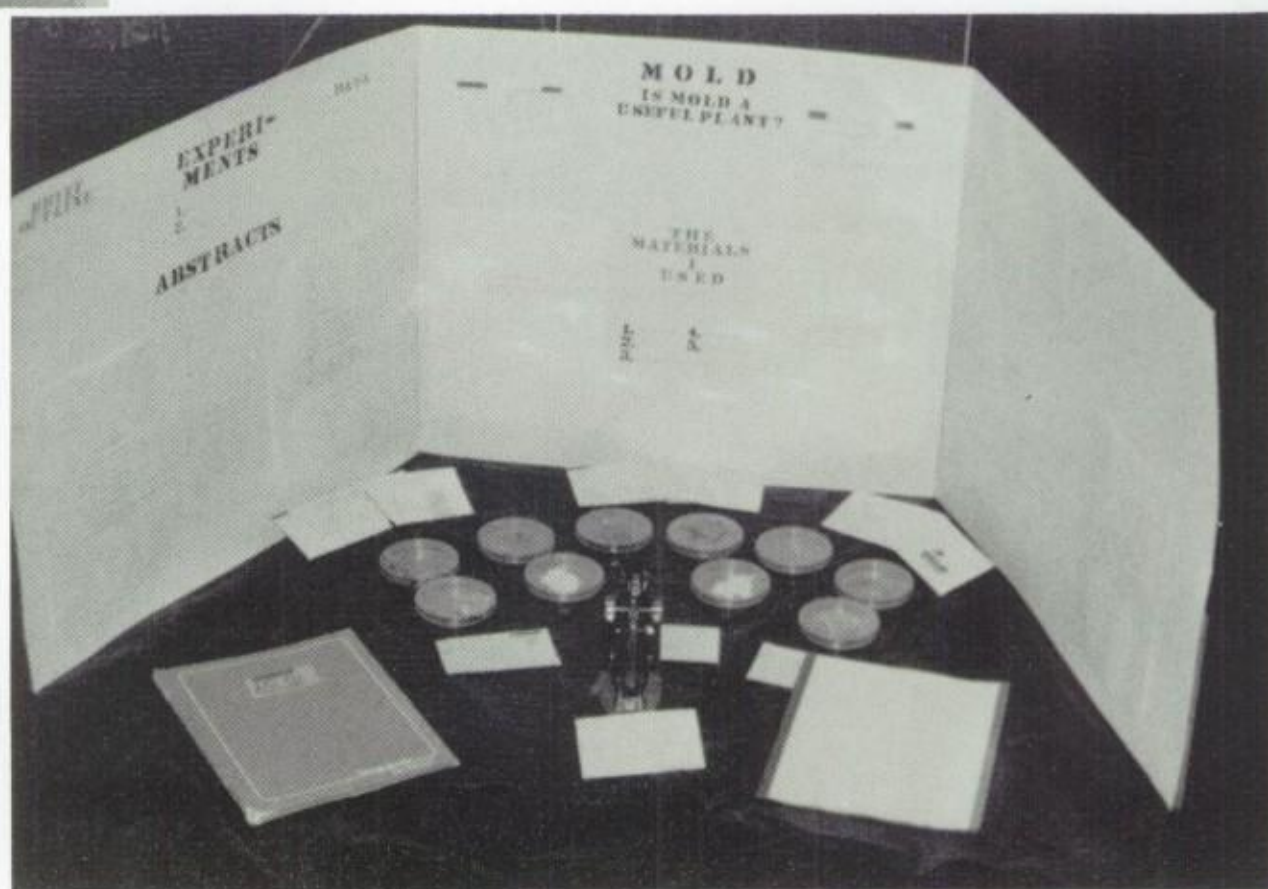

Our play is an adaptation of Edward Everett Hale's original story, done by Nicky Chavers, a graduate of Bob Jones University. It is the story of a young army officer Philip Nolan, who was tried for treason because of his association with Aaron Burr. He exclaimed during his trial that he wished he would never hear of the United States again and was placed on board ship where he roamed the seas until his death. During this time he was not allowed to see or hear anything connected with the United States. Before his death, Nolan repented of his wrong doing, and it became obvious to all concerned that he was a deeply patriotic man at heart. Although some of the play and some of the characters were actually a part of our American history, Philip Nolan never existed; and his story is fiction. Even today, large numbers of Americans still believe (as many did when the story was written) that Philip Nolan was real.

SCIENCE FAIR — 1983

The 1983 science fair saw the junior high sweep eight out of the top ten spots. Three of these junior high efforts are pictured here. Below is Greg DePuy's study of common molds and the growing conditions under which each are found. At the left is Carrie Clark's study of chick embryo's from early blastula to fully developed chick. Above is Scott Grimes who as an eighth grader won the BCSA state science fair with his study of the sterling engine which is pictured above.

SENIOR GRADUATION

Above are the 1983 graduates. Front (L-R): Julia Furiate, Jenny Dean, Ruth Simons (Valedictorian). Back (L-R): Craig Maenle, Jeff Hoy, Scott Freed, Greg Norden.

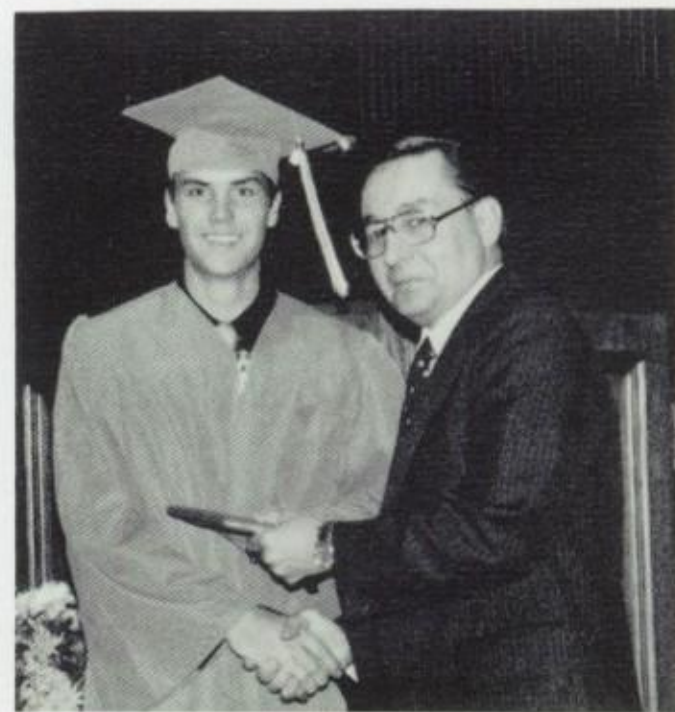

Alan Grover

Commencement exercises were held on the 5th of June for the fourth graduating class of Heritage Christian School. The H.C.S. Band and Choir furnished music as did the Girls' Ensemble. Trumpeters for the Processional and for the Recessional were Norma Fadley, Randy Martens, Bret Perkey, and Dan Simons. Randy Martens played the offertory. Julia Furiate and Greg Norden gave testimonies and Ruth Simons delivered the valedictory address. All three paid tribute to the Christian guidance of their parents, the influence of Mr. Wolgamott, teachers at H.C.S., and fellow students. The challenge to the graduates by Rev. Alan Grover, Executive Vice-President of the Buckeye Christian School Association, outlined a Christian future. Mr. Wolgamott presented a valedictory medal to Ruth Simons, a plaque to Julia Furiate for Christian character, and to Jeff Hoy for attending H.C.S. each year since its inception. Diplomas were presented to these three and also Jennifer Dean, Scott Freed, Craig Maenle, and Gregory Norden.

May the class of 1983 recognize that since the earth is 75% water and 25% land, they need to spend $\frac{3}{4}$ of their time fishing and $\frac{1}{4}$ of their time plowing.
